No. F-1.1/CE-Tech/2021/2377

Dated: 28-10-2021

**SUBJECT: TECHNICAL EDUCATION**

FBISE has always envisioned to abreast its candidates with the emerging trends in the field of education and make them a useful member of the society. In line with the same, the board has established its Technical Wing in order to provide best career opportunities to the candidates who want to seek some skills along with formal education. No one can deny the fact that every child is born with some inherent talent and being teachers and Education bodies its our responsibility to identify the talents and groom them. Secondly, in order to pace with the modern world and making them eligible to grab jobs in international market, it is of vital importance to impart education and skills to the youth.

2. This year the FBISE has introduced Technical **Group at SSC Level (Matric Tech)** under which the candidates shall opt any two of the following Technical subjects of the same trade, along with compulsory subjects, General Science and General Mathematics:

- Cosmetology (Hair and Beauty Services)
- Introduction to Tourism
- Applied Electrician
- Applied HVACR
- Fundamentals of Cooking
- Working Principle of Hotel Management
- Graphic Designing
- Plumbing and Solar Water Heating System-I
- Fashion Designing
- Internet of Things Software Development
- Esthetics (Hair and Beauty Services)
- Tourism Management
- Industrial Electrician
- Basic of HVACR
- Professional Cooking
- Introduction to Hotel Management
- Media Production
- Plumbing and Solar Water Heating System-II
- Dress Making
- Internet of Things Hardware Development

3. At the HSSC level **Medical Technology** is already being offered in the following groups:

- Medical Lab Technology Group
- Operation Theatre Technology Group
- Physiotherapy Technology Group
- Dental Hygiene Technology Group
- Medical Imaging Technology Group
- Ophthalmic Technology Group

4. Recently **Fazil-e-Tibb wal Jarahat (FTJ)** has also been introduced and institutions have initiated their process of affiliation with the FBISE.

5. You are requested to communicate the importance of Technical Education to your students and the initiatives taken by the Board for their better future and career opportunities. You are also requested to take initiative for affiliation of your institution with the FBISE in the afore said Technical Subjects.

7. For any queries please do not hesitate to contact at the given numbers. Your cooperation and quick action in this regard shall be highly appreciated.
